## PROJECTS

### PERSONAL PROFILE WEBSITE

- Description: Created a personal profile website to showcase my skills, projects, and experience.
- Technologies: HTML, CSS
- Features:
  - Responsive Design: Ensured compatibility across various devices and screen sizes.
  - Clean and Modern Layout: Used CSS for styling to achieve a professional look and feel.
  - User-Friendly Navigation: Implemented intuitive navigation for easy access to different sections.
- Content Sections: Included sections for bio, skills, projects, and contact information.

### CODE REVIEW SYSTEM

- Implemented a Code Review System in Python to manage code submissions and reviews.
- Allows creation, reading, updating, and deletion of code submissions.
- Supports assigning reviews to developers with timestamp tracking for assignments and status changes.
- Generates review statistics for developers.
- Ensures validation for unique code IDs and proper review status updates.
